Employee Pre-Tax Salary Deduction Authorization Form MTA Commuter Choice Maryland Program

- We've teamed up with the MTA to offer you a new employee fringe benefit.
- Now, you can take advantage of reduced MTA transit fares using pre-tax salary deductions *right here at the worksite*.
- Each month, the cost of your MTA transit pass (up to \$230 tax-free to you) will be deducted from your paycheck before your earnings are taxed.
- This method of purchasing your monthly transit pass reduces the amount you pay, reduces your taxable income, and saves you money.
- And, by switching from driving to work to taking transit, you and your car will *substantially* save on the costs of commuting.
